

Tobacco Use in Minnehaha and Lincoln Counties

Quarter 4 2020: October 1, 2020 to December 31, 2020

The South Dakota (SD) QuitLine is a Department of Health program offering tobacco cessation assistance to all SD tobacco users interested in quitting through three distinct services: 1) a Quit Guide, a self-directed cessation workbook, 2) a Kickstart Kit, a two or four-week supply of nicotine replacement therapy (NRT) with a Quit Guide, and 3) a phone coaching program, which includes up to twelve telephone coaching sessions, up to twelve weeks of NRT or the cessation medication, Zyban, and a Quit Guide.

*May exceed the total respondent number as respondents could select more than one response.
Number of smokers was calculated for Minnehaha and Lincoln Counties using the 2020 County Health Rankings data adult smoking rate (<http://www.countyhealthrankings.org/app/south-dakota/2020/measure/factors/9/map>) and US Census Bureau adult population data from the 2014-2018 American Community Survey 5-Year Estimates (<https://data.census.gov>). Enrollment data was provided by the SD QuitLine service provider. This report was produced in the South Dakota State University Population Health Evaluation Center through a cooperative agreement with the SD Department of Health. Further information on tobacco use rates and SD QuitLine services can be obtained by contacting the Tobacco Control Program at 605-773-3737.
